TO WHOMSOEVER IT MAY CONCERN

We are pleased to inform you that **Ujjwal Pandey** from **Indira Gandhi National Open University** was a part of an intensive internship program in our organization for a period of two month.

During this time, he helped us expand our reach and get through thousands of people by contributing in our massive marketing campaign.

He was diligent in his tasks and created a great amount of engagement with the use of his marketing strategies and skills. We observed that he could perform all tasks assigned to him effectively and demonstrated capacity to go beyond what was assigned which increased his contribution. In our opinion, he was motivated, devoted, professional, hard-working and innovative while working with us.

We wish him the best for his future endeavours and hope he succeeds in all of them.
