All these courses are done by me in a time span of 2.5 years along with my graduation in BCA and GNIIT.

---

There are more courses of different technologies, I have not completed yet intensely, because they contain very advanced topics, and I had no idea about when I will need them.

Development > Programming Languages > Java

## Java from Zero to First Job, Practical Guide, 2000+ examples

Java Core, TDD, Streams, Lambdas, JPA/Hibernate, SQL, Build Tools, Git, Web Servers, HTML, Servlets, JSP, Spring Boot etc

4.5 ★★★★★ (4,659 ratings) 253,239 students
